a program of

MEETING WATERS YMCA

servicing the students and families of:

Brattleboro
Guilford
Dummerston
Putney
Rockingham
Westminster
Charlestown

Online enrollment is available on our website:
www.meetingwatersymca.org

In partnership with several area schools, Meeting Waters YMCA offers Y-ASPIRE, an after-school enrichment program designed to meet the needs of school-aged children and their parents.

Now in its 19th year, Y-ASPIRE is the largest state-licensed after-school program in the CT River Valley. At the request of parents and educators who have asked us to come to their community, Y-ASPIRE now serves more than 200 children from 7 communities.

Y-ASPIRE takes place at:

- Academy School
- Oak Grove School (site for Guilford students)
- Green Street School
- Dummerston School
- Putney Central School
- Rockingham Central Elementary School (site for all Rockingham and Westminster students)
- Charlestown Primary School (site for North Charlestown students)

Y-ASPIRE is a state-licensed school-age child care program which ensures high standards for safety, staff training, risk management, facilities, and curriculum. This licensing also allows parents to access Vermont and New Hampshire Child Care Financial Assistance Program.

The Y-ASPIRE Curriculum

Each day of Y-ASPIRE program includes physical activity, nutritious snack, and a group project. Our main objective is to provide safe and reliable care in a fun, enriching environment that emphasizes the development of social, academic and lifestyle health skills.

Through a wide-variety of activities, students in the Y-ASPIRE program develop “healthy spirit, mind and body.” Our balanced curriculum develops “character skills” such as respect for self and others, cooperation, and problem-solving; academic skills through our literacy program, homework support and other educational activities; good health through nutritious snacks, vigorous physical activity and our Food & Fun curriculum.

Many activities are centered around a monthly Y-ASPIRE theme. Some examples include: “Kindness and Justice,” “Our Natural World” and “Celebrating Diversity.”

The Y-ASPIRE Staff

Each Y-ASPIRE site is led by a Site Director and a Program Assistant. Both have met stringent criteria for both Meeting Waters YMCA standards and state child care licensing. Our participant:staff ratio is below the state requirement of 13:1. The staff from each site, many of whom have been with us for five or more years, are supported by our Senior Program Director and Executive Director.

Hours and Days of Operations

Y-ASPIRE runs from the minute school is dismissed until 6:00pm on all school days. In addition, we offer full-day care on most days that school is not in session. This includes school vacations, teacher in-service days, parent-teacher conference days and most holidays. On early-release days Y-ASPIRE begins at the earlier dismissal time. This “extended care” provides parents and children with an additional 200 hours of Y-ASPIRE. The program does NOT run on unscheduled full-day closings due to snow or emergencies.

“In addition to the great program, the ‘seamlessness’ of vacation and early release coverage is superb.”

Y-ASPIRE Parent

Financial Assistance

Y-ASPIRE fees are comparable to most other regulated and unregulated options in the region, however, we recognize that for some parents, even our modest program fees are beyond their family’s budget. No one will be denied access to Y-ASPIRE for lack of ability to pay full program fees. We accept payment through the VT and NH Child Care Financial Assistance Programs. In addition, thanks to the support of local donors, Meeting Waters YMCA offers partial scholarships. If you would like information about financial assistance, email us at info@meetingwatersymca.org or call 463-4769.

What the research says about quality after-school programs like Y-ASPIRE

“A meta-analysis spanning 68 studies of afterschool conducted by the University of Illinois found that students participating in a high quality afterschool program attended school more, showed improved behavior, received higher grades and did better on tests compared to non-participating students. They also found that participants in afterschool programs improve significantly in three major areas: feelings and attitudes, indicators of behavioral adjustment, and school performance and that participants have reduced problem behaviors “(e.g., aggression, noncompliance and conduct problems). (2010)

“Positive outcomes, as well as more positive self-esteem, increased as the frequency of attendance in the program increased.” (Baker & Witt, 1996)

“Decreased worker productivity due to stress and absenteeism caused by lack of reliable, quality after-school care costs employers \$496 to \$1,984 per employee, per year, depending on the employee’s salary.” (Community, Families and Work Program at Brandeis University, 2004)

Questions?

If you would like more information about Y-ASPIRE, please email us at info@meetingwatersymca.org or call the Meeting Waters YMCA office 463- 4769.

How to Register for Y-ASPIRE

Please complete the tear-off enrollment form on the back of this flyer and return it with a \$25 administrative fee. Upon receipt, we will send a registration packet that will ask for other important information and a Parent Handbook with more details regarding the Y-ASPIRE program’s policies, activities, and staff.

Online enrollment is available on our website: www.meetingwatersymca.org
