IMPORTANT DATES

Y-ASPIRE runs from the school dismissal time until your scheduled pick up time on all regular scheduled school days as well as most holiday, vacation, parent-teacher conferences, and teacher in-service days.

The first and last day of Y-ASPIRE will fall on the corresponding full day of school.

Y-ASPIRE will be closed on the following holidays:

- Labor Day – September 6th
- Day Before Thanksgiving: November 24th
- Thanksgiving – November 25th
- Day After Thanksgiving – November 26th
- Christmas Eve—December 24th
- New Year's Eve—December 31st
- Martin Luther King Jr. Day—January 17th
- Memorial Day – May 30th

There may be additional days where we are unable to run programs based on the schools availability. We will give families as much notice as possible so that other arrangements can be made.

SCHOOL CLOSING INFORMATION

Closing or Delayed Opening—Y-ASPIRE does not operate when school is cancelled for unanticipated reasons like snow storms. Our commitment is to provide a program that meets the needs of working parents. However, for the safety of everyone involved (you, children and staff), we will open late (full day programs only), close early (any day), or cancel the program entirely (full days), if safety officials declare that the roads are unsafe for travel.

Early School Closing— On days when there is an unplanned early closing of school (i.e. – due to snow) Y-ASPIRE will begin at the early release time if it is safe to do so. We request that you pick up your child as early as possible so that you, your child(ren) and our staff are at the least risk possible while driving in inclement conditions. Early release due to weather that are planned in advance

(the night before) will be considered a snow day and the program will not run. Please plan accordingly.

Closing or Delay Communication—We will make closing or delayed opening announcements through local radio stations (WKVT & WTSA) and our Facebook page. If the program needs to close early during regular program hours, MWYMCA staff will make calls to parents and, if not available, the emergency contacts designated on your registration forms. Your child will need to be picked up within 30 minutes of the call.

REGULAR DAY SCHEDULE

Some programs start at different times, but all follow this general schedule.

- 2:45 arrive/attendance
- 3:00 physical activity (outside, weather permitting)
- 3:45 wash hands/healthy snack
- 4:05 group activity related to monthly theme
- 4:45 homework/quiet play (board games, reading, arts and crafts)
- 4:55 clean up
- 5:00 free play/reading/finishing projects or homework

Quiet Time and Homework Time

Y-ASPIRE children have the opportunity to work on homework or other academic activities daily, with help from staff. Because Y-ASPIRE is an enrichment program focused on developing healthy spirit, mind and body, homework time will never be longer than 20 minutes. We believe strongly that a healthy body (healthy snack and physical activity) and healthy spirit (self-discovery and character development) are essential to a healthy mind. Based on this belief the Y-ASPIRE program makes time each day for activities that develop participants' bodies and spirits, as well as their minds.

Snack—MWYMCA provides a nutritious snack every day, or participates in the Afterschool Meals Program offered through the school. All snacks and beverages comply with the CACFP guidelines for serving sizes, food preparation, storage and service and meet our HEPA standards as outlined (on our website). If your child has any food allergies listed on your Registration Form we will do our best to accommodate alterations in the menu but may need to hold families accountable for providing their own snacks if the needs are extreme.

Clothing—Please dress your child appropriately. Children should wear clothes in which they can move freely and are comfortable. Children will play outside every day, weather permitting, so appropriate warm clothes are necessary (mittens, hat, snow pants, boots, warm coat, rain coat, etc.) Please pack additional/spare clothing as needed. Fire code require shoes to be worn at all times, therefore it is important that every child bring shoes to wear inside. Boots are not allowed on the gym floor. Please label all clothing and personal items! Meeting Waters YMCA is not responsible for any lost or damaged personal items or clothing. Each child is responsible for their own belongings.

Pick-Up—Children will be released from the MWYMCA's responsibility only to those people whose names are listed as an authorized escort on the Registration Form, unless the parent has notified the staff otherwise, in writing or by calling the site cell phone. **Your child will not be released to anyone without your permission.** A parent or designated escort must come to where Y-ASPIRE is taking place with photo identification in order to check the child out of the program. This encourages parent-staff communication and ensures that each child has transitioned from one caring adult to another.

Parents are welcome to visit the program at any time, unannounced. If you would like time to speak to the staff please be sure to come early or schedule the time in advance as they may not be available if providing care to the children.

- ◆ **Pick-Up Time**—Pick-up time is the time you leave the program (not when you arrive). We encourage you to come and spend time with your child, but please be sure to leave the program before your contracted pick-up time.
- ◆ **Late Pick-Up**—If you are going to be late picking up your child, you must call your Site Director as soon as possible so our staff can adjust their schedules accordingly. If you pick up your child later than the contracted time, a late pick-up fee will be charged. If you are contracted for 5:00 pick-up, but pick your child up before 6:00 PM, you will be billed at a rate of \$5.00 for any part of every 15 minutes that you are late. If you pick your child up after 6:00 PM, you will be billed at a rate of \$1.00 per minute. The Site Director's cell phone will serve as the official time. *See "Occasional Care" for instructions on pre-scheduling a later pick-up time than the 5:00 option on a particular day when more care is needed.*

When you are late picking up your child, you are creating safety and regulatory problems for the Y-ASPIRE program. Therefore, if you are late picking up your child more than three times in a program year, your child will be removed from the program.

Release & Return— For any child participating in an activity outside of Y-ASPIRE during program hours, a parent must complete the appropriate release form with their Site Director. If the child is returning, that section of the form must be completed and an adult must escort the child back to the program and check in with the program staff.

Y-ASPIRE Themes—Y-ASPIRE activities are designed around monthly themes that are based on our YMCA mission, the program's purpose, stages of group development and in relation to national or global events. This year's themes are:

- September: Building Our Y-ASPIRE Community
- October: Caring, Honesty, Respect and Responsibility
- November: Celebrating Diversity
- December: Holidays Around the World
- January: Kindness & Justice (part of a national youth movement in honor of Martin Luther King)
- February: Our Community
- March: Our World
- April: The Natural World (in conjunction with Earth Day)
- May: Healthy Kids/Healthy Families
- June: Next Steps

Family Connection Events/Activities—Our Y-ASPIRE programs incorporate family connection activities into each month's theme-based curriculum. Family connection activities take on many forms and may include open house events, family nights, potluck dinners or family participation activities within the program. All activities incorporate the aspects of our Healthy Family Home initiative focusing on nutrition, physical activity and family connectedness. These activities help to foster deeper relationships between staff and families, between families in the program, and encouraging greater parent to parent interaction. Families who participate in the events/activities have a greater understanding of the purpose of our programs, the intention of the themes, and how the skills we are developing can be transferred to their home and other aspects of family life.

Issues relating to families receiving state Child Care Financial Assistance—

- ◆ When your Child Care Financial Assistance application is up for review, please complete the paperwork early. If your certificate expires you will be responsible for payment.

BEHAVIORAL EXPECTATIONS

The students and staff will co-create a set of rules and expectations for their program at the start of the school year. However, there are baseline expectations.

Please review these expectations with your child prior to his/her first day at Y-ASPIRE.

- ◆ Treat others the way they want to be treated.
- ◆ Speak and act with respect and courtesy.
- ◆ Use kind, positive words.
- ◆ Respect others' bodies, feelings and personal space.
- ◆ Stay with the program staff - It is never okay to leave your group unless you have the permission of one of the program staff.
- ◆ Respect the property of the YMCA and the property of the spaces used by Y-ASPIRE.
- ◆ Use sports, arts & craft and other equipment only for what they are made to do.
- ◆ Always clean up after yourself and put things back where they belong.
- ◆ Keep all areas clean - throw away or recycle your trash and all trash you find.
- ◆ Keep track of your belongings.
- ◆ Be sure you have everything you started with when you move from one place to the next.
- ◆ Use others' belongings only if they have allowed you to do so.

DISCIPLINE POLICY

Our program's approach to discipline is based on showing respect to everyone with the ultimate goal of every child having fun while growing and learning. Should a discipline problem arise, we are committed to a seven-step progressive discipline process. The aim is to use the "problem" as a learning opportunity at each step along the way. In most cases we will start the process at the beginning. We reserve the right to begin the process at any step, including immediate dismissal from the program, for serious behavior problems.

DISCIPLINE PROCESS

The typical process is as follows:

- ◆ **Redirection:** Redirect the child away from the scene of the incident to a different activity or small group.
- ◆ **Talk with child about the incident:** Discuss what happened, how it could have been resolved, what they will do differently in the future and what will happen if the same behavior happens again.
- ◆ **Remove the child from the situation:** The child will be moved from the group and the activity to a quiet, supervised spot where he/she can discuss the incident.
- ◆ **Incident Report:** Staff will complete an incident report and discuss the situation with the parent(s). The parent(s) then need to sign and return the report to indicate their understanding of the need for behavior changes and consequences for future violations.
- ◆ **Call parent:** If a serious behavior problem occurs staff will contact the parent. In this case, a parent or designated escort must pick the child up as soon as possible (within one hour maximum) of the phone call.
- ◆ **Meeting with the parent(s):** If violations of YMCA policies and expectations occur on a repeated basis or are related to physical or emotional safety, the child will not be allowed to return to the program until our staff has had an opportunity to meet with the parent(s). Such a meeting will focus on the concerns, potential solutions and behavioral guidelines to which the child must adhere in the future.
- ◆ **Removal from the Y-ASPIRE Program:** If the behavior continues or represents an immediate threat to others' physical and emotional safety, the child will be removed from the program without a chance to return. All program fees are non-refundable for dismissal based on behavioral problems.

COMMUNICATION

Absences

You must call the site phone number whenever your child is not able to attend the program for any reason. There is voicemail service on the phone so a message can be left any time, day or night.

Child Care Concern Line

Y-ASPIRE is a state-licensed school-age child care program. As such, its policies, procedures, staff and space requirements and more are closely regulated by the Vermont Department of Children and Families. Many of the policies and procedures outlined in this Parents' Handbook are aligned with the state's regulations. To access the Vermont School-Age Child Care licensing regulations, visit www.dcf.vermont.gov.

To be licensed requires our staff, facilities and curriculum to be of the highest quality. However, should you have any concerns, we encourage you to contact us and/or the State of Vermont's Child Care concern hotline at 1-800-649-2642 option 3.

HEALTH POLICIES

Medical/ Health Insurance

We do not carry health or medical insurance for students. Parents must include their own personal/family insurance information on the registration form. This information will be used only if outside medical assistance is required.

Sick Child Policy

These guidelines have been established for the comfort and well-being of your child and that of other children at Y-ASPIRE. Children who do not feel well should stay home.

If a child becomes ill while at the program, we will call you. State regulations require you to pick up your child within one hour of the call.

Children will not be permitted to come to Y-ASPIRE if:

- ◆ They pose a health risk to other children,
- ◆ They are feeling so poorly that they require an excessive amount of time from staff,
- ◆ They feel so poorly they need comfort from their own parents.

In the event that your child develops or contracts a contagious illness or head lice, please contact the Meeting Waters YMCA within 24 hours. Treatment for head lice must be completed and all nits removed before returning.

Accidents and Injuries

We'd like to think that no child will be injured while in our care, but given there will be hundreds of students, injuries can happen. All Y-ASPIRE staff are trained in CPR and first aid. If a child has a minor injury he/she will be treated and cared for until they feel ready to return to activities. You will be notified of the injury when you pick your child up at the end of the program.

In case of a medical emergency, the staff will take whatever steps necessary to ensure the safety of the child. These steps may include, but are not limited to, the following:

- ◆ Attempt to contact parent/legal guardian
- ◆ Attempt to contact those listed on emergency form
- ◆ Attempts to contact child's physician

If we cannot contact parent/guardian or physician we will do any or all of the following:

- ◆ contact another physician
- ◆ call an ambulance to transport child in the company of a staff member

If the emergency warrants immediate care, the Site Director will call an ambulance to transport the child to an emergency care unit and then proceed to contact parent/guardian.

MEDICATION AT Y-ASPIRE

If you indicated on your registration form that your child needs to receive medicine during Y-ASPIRE hours, you will receive a Medication Release Form. If your child begins needing medication after you have already returned the registration forms, please call or e-mail the MWYMCA office to have the authorization form sent. All prescription medicines (including inhalers and epipen) to be administered at Y-ASPIRE must:

- ◆ Be brought in the original prescription container with a prescription label showing child's name, current and accurate dosing, time for administration, name and phone number of the prescribing doctor, and any other directions;
- ◆ Be accompanied by the Meeting Waters YMCA medication release form, or a copy is on file in the office;
- ◆ Be brought to the program or left at the school for the program staff prior to the child attending.

Emergency medication will be carried with staff at all times. Non-emergency medication will be locked up at the site. All medication will be administered as prescribed and following medication administration protocols.

Please note: We do not dispense non-prescription medication such as aspirin, acetaminophen, ibuprofen or over the counter allergy medicine. The exception being Benadryl when prescribed as part of an allergy action plan.

Allergies/Asthma

If a child's health records indicate allergies or asthma, staff will discuss the symptoms and procedures for care with the child's parent(s). An allergy/asthma action plan, describing the issue and all steps to be taken, will be kept at the program. Parents must provide all necessary medication as indicated on the action plan including Benadryl or other antihistamine. If a child has an allergy/asthma attack the staff will follow procedure for care as outlined on the action plan and parents will be notified immediately.

Immunization Record/Health Form

Each child is required to have up-to-date immunizations or an exemption form on file, as mandated by the Vermont Child Care Services Division. All health related information must be accurate and kept up to date. Please notify the main office of any information changes during your child's time in Y-ASPIRE.

Enrollment Documents

Information provided is considered confidential and will only be shared with those authorized to see it as required for program participation.

All original documents for children enrolled in the program will be maintained for one year and will be available to parents within 5 business days of the request to the main office.
